Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Thornville Wastewater Treatment Plan Expansion in fiscal year 2024. The entity to receive funding for this project is the Village of Thornville, located at 1 South Main Street, Thornville, OH, 43076. Funding for this project will be used to expand the existing Wastewater Treatment Plant in the Village of Thornville in Northeastern Perry County. The project is an appropriate use of taxpayer funds because the currently the Village is the regional wastewater treatment facility serving 496 inside the Village limits and 699 customers outside the Village and is nearing its maximum capacity.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
Member of Congress
